

Einbaufassung
E-Nr.930 340 009

Technical Operating Data

Material: thermoplastic resin

Lamp socket: E27

Rated current: 4A

Rated voltage: 250V

Marking temperature: 210°C

Color/Treatment: natural

Overvoltage category: II

Type and cross sections: rigid or flexible cable with cross-section $0.5+2.5 \text{ mm}^2$ - stripping cable 7 mm.

Screw shell: in thermoplastic material

Terminals: spring type

Fixing/Connection: through holes for M4 screw

Approvals:
